 Mentors available in your region or virtually, it's up to you!

## Who is Mentoring for?

There is no one-size-fits-all approach when it comes to growing a business or dealing with challenges and opportunities along the way. You are eligible if:

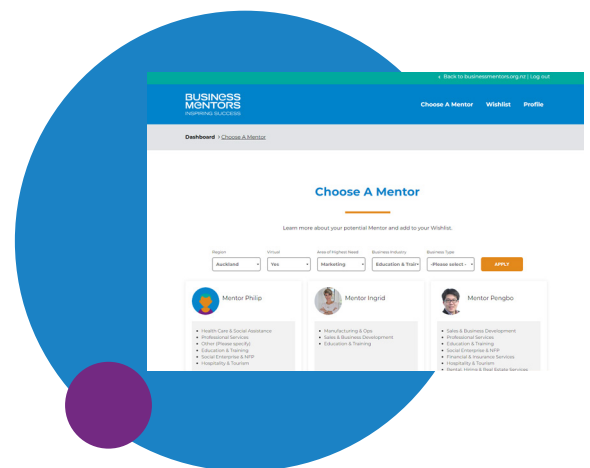

- You are a New Zealand resident and have an existing small business, a startup or a social enterprise.
- You are willing to listen and receive constructive feedback related to you and your business that may challenge you at times.
- You are motivated and determined to grow your business.
- You can commit to the mentoring relationship, agreed tasks, and open, honest communication.
