What's On

Networking

Opportunities for individuals and businesses, for those who work from home to large corporate members. Events range from presentations to luncheons, breakfasts to monthly Business After 5 (BA5) functions, launches and timely business regulation updates.

Training and Development

More than 75 different workshop themes are on offer as well as Diploma courses and other in-house specific programmes on request. Our specialty is matching presenters and participants and customising content to suit your business.

International

From helping build relationships with international partners particularly in China, to offering manual and electronic export documentation certification. We support your business to become export ready

Resources

We can help you find the right resources and people to start up or grow your business. We can assess your business under a Regional Partner Network programme and identify options for development and growth of your business. Some of these options can be accessed using Capability Development Vouchers for a partial subsidy of up to 50% of the cost of training.

4Trades

Comprehensive support for your business and your apprentice under the 4Trades Apprenticeship Training Trust. Let us take care of your compliance, red tape and mentoring requirements.

Discounts and Savings

Specific offerings from our national partners and local member businesses are available to you and your staff. Regularly updated, full details are held on our website
