Audience Alive

50% of all normal pricing for Chamber members.

Over the past 15 years we have created thousands of presentations for over 500 international clients such as Siemens, Emirates Airlines & IBM to name a few. Typically, we work over a month with most clients and create a presentation with impact. Most of our best work is not done at the last minute. Whilst we add impact and design creativity please note that we do not rework your story and require slides to be provided to us which we then richly animate by adding animations over time and layers.
