

## Advocacy

Members gain a local, regional and national voice for business when they join the Chamber. With a member base of 1000 businesses and organisations you have access to over 28,000 employees and business owners who are located in North, South and Central Otago as well as Dunedin City. We are the recognised voice of business to enable issues that affect business to be heard at local, regional and national government level.

## Business Support

We have access to funding, reference materials, referrals and business information. We will connect you to the right advisor and support you on your business development journey. We keep abreast of changes to current legislation and regularly update members of the implications for their business.
